## Why Buy a Hustler Zero Turn Mower instead of a Conventional Tractor Ride-on?

Versus

Tractor Ride-on

Hustler Zero Turn

Steering wheel (non power assisted)	Steering levers fully power assisted (no effort to steer)
Speed control usually by foot pedal on modern hydrostatic models. Requires the operator to maintain constant foot pressure to maintain speed.	To control forward direction and speed you simply push the levers to obtain desired speed and relax. The only job your feet do is pushing the deck lift pedal when mowing is finished.
Difficult to mount and dismount.	Steering levers fold out of your way leaving no restriction to getting into or out of seat.
Higher seating position, higher centre of gravity	Lower seating position, lower centre of gravity more stability.
Longer mowing time compared to Zero Turn Mowers	Faster mowing, up to 40% time saving
Lighter build, pressed steel decks, can rust in short period of time.	Solid construction with folded steel welded decks incorporating reinforced blade spindle mountings and reinforced leading edge on decks
Built for ascetics	Built to last
Lighter components,	Heavy commercial components,
Belts difficult to change and can be much less durable	Increase belt life and simple to refit, sometimes without the use of tools
Longer mowing time, more fuel consumed	Shorter mowing time, less fuel consumed
Depreciate in value very quickly in value.	Hustler Zero Turn Mowers are high quality mowers giving years of low cost mowing with lower than expected annual service bills and excellent resale value.

Imported and distributed throughout the UK and Ireland by

# THE OWNERSHIP EXPERIENCE

Four benefits of owning and operating Hustler mowers.

## 1. WE LISTEN TO OUR CUSTOMERS

What do people want? Why do they want it? And how can we make it happen for them? We listen to the operators out in the field and we address the issues they face every day. Our streamlined production process allows us to make improvements and fix problems - quickly.

## 2. WE INTEGRATE EXCELLENCE

Our deck team studies, tests and engineers the best designs for cutting grass and dispersing clippings. Our power train team mounts the best engines, transmissions and pumps on our mowers. Then our integration team brings it all together, assuring you that all systems work seamlessly. We're all specialists with a common goal: delivering the best mower in the world to our customers.

## 3. HUSTLER MOWERS ARE TOUGH, AND THEY PROVE IT

Once we've designed a mower we love, we start abusing it. We rigorously test every model, leaving nothing to chance. Our mowers meet our self-imposed expectations that are higher than industry standards. Hustler owners can rely on their mowers to be the toughest, most dependable in the field.

Our testing includes:

- Shake Test
- Engine diagnostics
- Stress tests
- Safety tests
- Mow quality
- Noise testing
- ROPS certification
- Projectile tests
- Field testing

## 4. THE HUSTLER OWNER EXPERIENCE

When you buy a Hustler, you're buying a deluxe experience. We want our customers to have the best mower and we'll do what it takes to keep them coming back. Hustler sales and service personnel are experts on our machines. Best of all, when you buy a Hustler you always have a go-to dealer network if you ever have a question about your mower. We finish the experience by backing our mowers with the best warranty in the business. We may be in the mower business, but the most important thing we build is relationships.

# RAPTOR

Hustler Raptor, FR541 V Kawasaki / 36"	36" cutting width, side discharge deck with mulch kit
Hustler Raptor, FR541 V Kawasaki / 42"	42" cutting width, side discharge deck with mulch kit

Hustler's all new Raptor is designed to the highest of standards and is poised to lead the zero-turn market in the entry level category, delivering the best-in-class overall value versus the competition. The Raptor is powered by an industry preferred Kawasaki engine and is built with a fabricated steel deck, setting it apart from all other products in its market. The Raptor also features Hustler's patented SmoothTrak Steering and its Automated Park Brake System. The Raptor is built with the same great quality Hustler has been committed to for almost fifty years and is backed by Hustler's industry leading three-year warranty\* and unmatched customer care.

# SPORT

Hustler Sport, FR 600 V Kawasaki / 36" RD

36" Cutting Width rear discharge deck (mulch kit included)

The Hustler Sport fitted with the 36" rear discharge deck is a solid built narrow access lawnmower. The heavy gauge solid steel construction makes this lawnmower suitable for extensive lawnmowing applications where access is an issue to large sites where both time and speed is essential to complete the job in hand.

Features:	Warranty
<ul style="list-style-type: none"> <li>• State-of-the-art powder-coat paint for a quality finish</li> <li>• Commercial duty spindles</li> <li>• Simplest maintenance in the industry</li> <li>• The ultra-smooth handling of the control arms make the Sport easy to steer and easy to park. Just drive and compare!</li> <li>• Powerful engines provide plenty of power</li> <li>• Hydrostatic transmissions for true zero turning manoeuvrability</li> <li>• Heavy duty composite discharge chutes provide protection for the operator, the mower, and the occasional close encounter</li> <li>• High blade-tip speed for superior quality of cut</li> <li>• 11 Kph (7 mph)</li> </ul>	<ul style="list-style-type: none"> <li>• 2 year limited warranty, 3rd year parts only</li> <li>• 2 year limited engine warranty</li> <li>• 2 year limited pumps and motors warranty, 3rd year parts only</li> <li>• 90 day limited commercial warranty</li> </ul>

# SPORT

## Models Available

Hustler Sport, FR 541V Kawasaki / 42"	42" Cutting Width side discharge deck with mulch Kit
Hustler Sport, FR 600V Kawasaki / 48"	48" Cutting Width side discharge deck with mulch kit

The Hustler Sport is a zero-turning, grass-eating blast. With SmoothTrak™ steering, there is no tree it will not hug, no corner it will not conquer. Designed for homeowners who want a great value, the Sport turns the chore of mowing into an afternoon delight. Yet underneath its peppy spirit lies a rugged workhorse. The Sport's steel frame and welded deck are the toughest in its class. It boasts the power to turn the most challenging yard into a perfectly cut sea of green. And with its incredible durability, you'll spend more time enjoying your lawn and less time taking care of your lawn mower. With a Hustler Sport, mowing has never been such a treat.

Features:	Warranty
<ul style="list-style-type: none"> <li>• State-of-the-art powder-coat paint for a quality finish</li> <li>• Commercial duty spindles</li> <li>• Simplest maintenance in the industry</li> <li>• The ultra-smooth handling of the control arms make the Sport easy to steer and easy to park. # FASTRAK

## Models Available

FasTrak, FS 651 Kawasaki / 48"	48" Cutting Width side discharge with mulch kit
--------------------------------	---

The Hustler FasTrak™ has all the strength, durability and power needed for commercial use. As proof, we offer a remarkable 4-year limited residential warranty plus limited lifetime warranties on the frame and leading edge of the deck. That's a serious mower.

But we designed the FasTrak with the homeowner in mind. Even though the frame is forged of heavy-duty steel, the zero-radius SmoothTrak™ steering is easy to use and will edge your flower bed with the finesse of a gardener. Its power makes quick work of the most expansive lawns. Yet it's comfy enough for the most discriminating operator. Once you drive a FasTrak, mowing will never be the same.

Features:	Warranty
<ul style="list-style-type: none"> <li>• Beautiful quality of cut. Your lawn will be the envy of the neighbourhood</li> <li>• Standard hour meter</li> <li>• Simplest maintenance in the industry</li> <li>• 0-8 mph to get the job done fast</li> <li>• Commercial duty sealed deck spindles</li> <li>• Commercial duty ZT 3100 transmissions</li> </ul>	<ul style="list-style-type: none"> <li>• 4-year or 400hrs limited residential warranty</li> <li>• Limited lifetime warranty on the tractor frame</li> <li>• Limited lifetime warranty on the leading edge of the deck</li> <li>• 1-year or 400hrs limited commercial warranty</li> </ul>

# FASTRAK SUPER DUTY

Models Available:

Hustler Fastrak Super Duty FX 600 Kawasaki / 36"	36" Cutting Width side discharge with mulch kit
Hustler Fastrak Super Duty GXV 630 Honda / 48"	48" Cutting Width side discharge with mulch kit
Hustler Fastrak Super Duty GXV 630 Honda / 48" RD	48" Cutting Width rear discharge
Hustler Fastrak Super Duty FX 730 Kawasaki / 54"	54" Cutting Width side discharge with mulch kit

The Fastrak Super Duty is a compact commercial Zero Turn Lawnmower capable of high output mowing. Over all dimensions and weight enable this lawnmower to be transported in the back of most vans or as an additional mowing unit on a trailer alongside other implements.

Features:

Features	Warranty
<ul style="list-style-type: none"> <li>• Heavy-duty, 7-gauge, full-height rear bumper with built-in hitch provides protection for the engine and exhaust, retains the ease of maintenance</li> <li>• Simplest maintenance in the industry</li> <li>• 8mph to get the job done fast!</li> <li>• Commercial duty, sealed deck spindles</li> <li>• SmoothTrak™ steering with patented automatic park brake system</li> <li>• Commercial duty ZT 3100 transmissions</li> </ul>	<ul style="list-style-type: none"> <li>• 4-year or 800hrs limited residential warranty</li> <li>• Limited lifetime warranty on the leading edge of the deck</li> <li>• Limited lifetime warranty on tractor frame</li> <li>• 2-year or 800hrs limited commercial warranty</li> </ul>

# X-ONE

## Models Available

Hustler X-One, FX 730V Kawasaki / 54"	54" Cutting Width side discharge VX4 deck with mulch kit
Hustler X-One, FX 730V Kawasaki/ 54" RD	54" Cutting Width rear discharge deck

We designed the X-ONE™ mainframe with heavy-gauge rectangular tubing for strength. Then we narrowed the body, allowing the X-ONE to carry three different deck sizes to meet any user's needs. With a top speed of 11 mph, the X-ONE makes quick work of the largest jobs. With VX4™ deck technology and SmoothTrak™ Steering, you get an ultra-clean cut and the famous Hustler feel, unparalleled in the zero-turn industry. With the perfect combination of power and versatility, the X-ONE can do it all.

Features	Warranty
<ul style="list-style-type: none"> <li>• Proven separate pumps and motors</li> <li>• New 48", 54" or 60" side discharge decks with VX4™ Technology</li> <li>• 54" or 60" rear discharge decks</li> <li>• 11mph</li> </ul>	<ul style="list-style-type: none"> <li>• 2-year / no hour limit or 5 year / 500 hour limited warranty</li> <li>• Limited Lifetime warranty on the frame and leading edge of the deck</li> </ul>

# HUSTLER Z DIESEL

The Hustler Diesel Z offers everything the most demanding user could ever expect from a commercial Zero Turn Lawnmower. Power is provided by the 1.1 litre, three cylinder Shibaura Diesel engine making the Hustler Diesel Z one of the most fuel efficient Z's to operate. The engine is mounted side ways to reduce the overall length of the mower and reduce tail swing. Being a Hustler the chassis and deck are noted as being the heaviest built in the industry adding to the long durable performance life synonymise with Hustler Turf Equipment.

Cutting performance with Hustler's rear discharge decks are truly exceptional thanks to the industry leading deck design incorporating the counter rotating blade. Grass clipping are evenly dispersed as they exit the deck and with no internal baffles or obstacles inside the deck. Long, wet and heavy grass is easily cut and dispersed from the deck.

Features	Warranty
<ul style="list-style-type: none"> <li>• 54" or 60" side-discharge VX4™ decks</li> <li>• 60" rear-discharge deck</li> <li>• Clean, compact design. Much more compact than competitive units</li> <li>• Engine mounted sideways for serviceability and compactness</li> <li>• Patented belt drive system provides up to 3X longer belt life</li> <li>• Over 18,000 fpm blade tip speed -- superior quality of cut</li> <li>• Wide stance, low centre of gravity</li> <li>• Simplest maintenance in the industry--no daily lube points</li> <li>• Toughest frame, front forks, and deck in the industry</li> <li>• 11.5-mph top speed--get the job done fast</li> </ul>	<ul style="list-style-type: none"> <li>• Limited 2 year, no hour limit or 5 year 500hr</li> <li>• Lifetime warranty on tractor frame</li> <li>• Lifetime warranty on the leading edge of the deck</li> <li>• 3 years on blade-spindle bearings</li> <li>• 3 years on front-caster-fork bearings</li> </ul>

# TRIMSTAR

## Models Available

Trimstar, FS 481 Kawasaki / 36"	36" cutting width side discharge deck with mulch kit
Trimstar, FS 481 Kawasaki / 36" RD	36" cutting width rear discharge deck
Trimstar, FS 541 Kawasaki / 48"	48" cutting width side discharge deck with mulch kit
Trimstar, FS 541 Kawasaki / 48" RD	48" cutting width rear discharge deck

The TrimStar™ is the most innovative walk-behind machine in the professional mowing industry. Our patented H-Bar™ steering is the easiest-to-use walk-behind system in the field, reducing operator fatigue. The TrimStar is a unique machine on its own, but it can fit nicely in a fleet when operators have had to reach places that pose problems for conventional ride on mowers. Low hand/arm vibration and a very user friendly steering system ensures the Trimstar will be the most comfortable zero turn walk behind mower you will ever use.

Features	Warranty
<ul style="list-style-type: none"> <li>Patented H-Bar™ Plus steering system - the easiest to learn, easiest-to-use walk-behind steering system. The mower glides over the lawn effortlessly!</li> <li>3.6 gallon fuel tank with sight-line</li> <li>No daily lube points!</li> <li>Superior drive system - integrated, serviceable ZT2800 transmissions</li> <li>Wide stance for excellent stability</li> <li>Best blade-spindle design in the industry!</li> </ul>	<ul style="list-style-type: none"> <li>Limited Lifetime warranty on the leading edge of the deck</li> <li>2 year limited warranty - parts and labour</li> <li>3 years on blade-spindle bearings</li> <li>3 years on front-caster-fork bearings</li> </ul>

# 3700

With four-season versatility and a powerful diesel engine, the Hustler 3700 is the ultimate workhorse. With an unmatched expertise in rotary mowers and exceptional customer care, Hustler will help you get any job done right. Whether you're maintaining golf courses or city property, get to know the same Hustler experience our customers have relied on for over half a century

Features	Warranty
<ul style="list-style-type: none"><li>• 36 hp Shibaura liquid-cooled diesel engine for increased engine life</li><li>• Front-mounted, welded 72" rear discharge deck, with tool-free installation</li><li>• The rear discharge decks rotate up 90 degrees with PTO shaft remaining connected for easier maintenance</li><li>• Cruise control and tilt and telescoping steering wheel</li><li>• Foldable, two-post ROPS</li><li>• Low noise and low vibration</li><li>• Excellent weight balance to achieve maximum stability</li><li>• Full-time automatic AWD with AWD lock</li><li>• Hydraulic weight transfer for maximum traction</li><li>• One piece full open hood designed for simple access to engine</li><li>• Wet brakes in drive axle eliminate sticking, dirt and corrosion</li><li>• Foot pedal differential lock for extra traction</li></ul>	<ul style="list-style-type: none"><li>• Tractor - 2 Year/1500 hour limited Parts &amp; Service</li><li>• Engine - 3 Year/2000 hour limited Parts &amp; Service</li></ul>

## Accessories

### Hustler Sport attachments

	<p><b>2-Bag Catcher</b> Easy-on, easy-off hopper assemblies. The Sport catcher holds 3.5 bushels. The Sport version does not have an assist blower.</p>
	<p><b>Light Kit</b> Work later with our optional Light Kit.</p>
	<p><b>Hour Meter</b> A great way to keep track of your mowing for maintenance.</p>
	<p><b>Steering Extension Kit</b> Steering levers can be adjusted in several ways to make your mowing experience as comfortable as possible.</p>

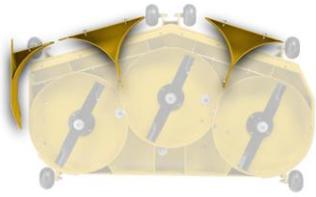

## Hustler Fastrak and Fastrak Super Duty attachments

	<p><b>Flex Forks™</b> Shock-absorbing front-caster forks that improve operator comfort and provide a more even cut especially over uneven terrain and at higher speeds. Flex Forks fit nearly any Hustler z-rider.</p>
	<p><b>2-Bag Catcher</b> Easy-on, easy-off blower and hopper assemblies. The catcher holds 7.2 bushels.</p>
	<p><b>Light Kit</b> Work later with our optional Light Kit. Fits, FasTrak™, FasTrak™ SD, Z4, Hustler Z™, and Super Z™.</p>
	<p><b>Stripe Roller</b></p>
	<p><b>Steering Extension Kit</b> Steering levers can be adjusted in several ways to make your mowing experience as comfortable as possible.</p>

## Hustler X-One and Diesel Z attachments

 A yellow mulch kit with three circular blades mounted on a metal frame.	<p><b>Mulch Kit</b></p> <p>Nearly every Hustler deck has an optional Mulch Kit. No more handling clippings. Recycle them back into the soil and reclaim nutrients. (fitted to all side discharge decks)</p>
 A close-up view of a yellow metal hitch with a 7/8-inch hole, attached to a machine's frame.	<p><b>Hitch Kit</b></p> <p>Bolt-on hitch with 7/8-inch hole. Will accept any standard ball.</p>
 A yellow front-caster fork assembly with a shock absorber and a black tire.	<p><b>Flex Forks™</b></p> <p>Shock-absorbing front-caster forks that improve operator comfort and provide a more even cut especially over uneven terrain and at higher speeds. Flex Forks fit nearly any Hustler z-rider.</p>
 A yellow stripe roller attachment mounted on a machine's deck, positioned near a tire.	<p><b>Stripe Roller</b></p> <p>The new VX4 decks feature an optional Stripping Roller attachment. The stripping roller leaves a very impressive striping finish.</p>
 A yellow hydro deck lift mechanism with a hydraulic cylinder and a switch, mounted on a machine's deck. The word 'Super Z' is visible on the side.	<p><b>Hydro Deck Lift</b></p> <p>Raise and lower the deck with the flip of a switch. Fits Hustler Z, Super Z and ATZ.</p>

## Hustler Trimstar accessories

	<p><b>Mulching Kit</b> The versatile Hustler mowing decks can side-discharge or mulch. With an ultr-cut, our deck is also the toughest in the industry. Mulching kits are fitted as standard to all side discharge decks. Not available for rear discharge decks.</p>
	<p><b>48/54 Deck Mounted Catcher</b> Keep your lawn clean and sleek with the deck mounted catcher. Catcher has a 3 bushel capacity.</p>
	<p><b>Knobby Tyres-Low profile type</b> Part number 770123, tyre and rim assembly. Low profile tyre for enhanced traction on slopes. Limited ground clearance with extremely low centre of gravity for best stability. Size: 18X11-10 (Sold as a pair)</p>
	<p><b>Knobby Tyres-Increased ground clearance type</b> Part number 602689, tyre and rim assembly. Provides increased traction and greater ground clearance for climbing kerbs. Size: 20X11-10 (Sold as a pair)</p>
