### What is Boogie Bingo

*Here's how it works:*

*Instead of your boring old numbers being called out in a typical game of Bingo, we've replaced them with 15-20 seconds bursts of the most toe-tapping', bum wigglin' singalong songs from the past and present! The presenter houses all music.*

*The numbers on the bingo cards have artists and song name. So with your bingo card in hand and your dabber on standby, listen out for the songs played and mark them off as you would a regular game of Bingo.*

*Musical Bingo presented by a professional Showman DJ & 2 team members and comes with its own mobile Disco for the bingo games and if required Disco to finish off.*

### What is Speed Quiz

Fun Interactive and speedy quiz games that everyone can take part in and enjoy.

Multiple game variations keeps the energy levels high with bonus points awarded.

Speed Quiz is fast and incredibly diverse and will create an exciting atmosphere. There are many different types of games. As well as being able to create your specific quiz subject, which makes the game personalised; customised for your event
