## Your Wedding Photography Solution

### CONNECTING YOU AND YOURS TO BE IN PERFECT SYNERGY.

Imagine your wedding day where the only 'snap' you hear is the click of the champagne glasses, not the relentless shutter of a camera. That's the Nigel Burr promise!

With two decades of experience, Nigel Burr of AAAB Photography is the maestro of matrimonial memories, orchestrating the photography with such finesse that stress and worry dissolve faster than sugar in tea. His camera equipment? Only the best. His post-edit suite? It's like the Rolls Royce of photo editing.

Nigel's approach is like a stealthy ninja, capturing candid moments without the awkward 'say cheese' moments. He's there in the shadows, documenting the laughter, the tears, and the funky dance moves of Uncle Bob. And communication? Nigel's got it down to an art form. He'll keep you in the loop with the precision of a town crier but without the bell. Every step of the way, from the first click to the final print, Nigel Burr is the guardian of your peace of mind, ensuring that the only thing you need to focus on is saying 'I do'.

So, let Nigel take the wheel, and you just enjoy the ride – down the aisle, that is! With AAAB Photography, your wedding album won't just be a collection of pictures; it'll be the story of your day, told with a sprinkle of Nigel's photographic magic. No stress, no fuss, just pure, unadulterated matrimonial bliss captured for eternity. Now, isn't that a picture-perfect thought?

### Taking away your worry to let the stress fall.

- **Choose** a photographer with a calming presence who can blend seamlessly into the background, capturing candid moments without adding pressure.
- **Discuss** expectations and specific shots desired in advance to ensure the couple's wishes are met without needing last-minute decisions.
- **Opt** for a pre-wedding shoot to build rapport with the photographer and alleviate anxiety about being in front of the camera on the big day.
- **Ensure** the photographer has a well-planned schedule and backup equipment to handle unexpected situations smoothly.
- **Trust** in the professional skills of the photographer, allowing the couple to focus on enjoying their special day, confident that their memories are being captured beautifully.

## BRIDE & GROOM SOLUTIONS

**\*\*Comfy Shoes:\*\*** Because you can't say "I do" if your feet are staging a mutiny from those six-inch heels.

**\*\*Emergency Snack:\*\*** A granola bar could be the difference between a fainting bride and a fabulous bride.

**\*\*The Groom:\*\*** Just a minor detail, but make sure he's at the altar!

**\*\*Sense of Humor:\*\*** When Aunt Edna starts the conga line, just roll with it. It's your party, after all!

## FAMILY & CHILDREN SOLUTIONS

Nigel will ensure all guests will receive the VIP treatment, capturing their best angles and providing extra frame-worthy shots to fill any empty nest!

He will master the art of herding cats, ensuring that families with their little wildlings are captured in their natural habitat with smiles, giggles, and the occasional photobombing squirrel!

## FRIENDS SOLUTIONS

With Nigel behind the lens, your guests won't just be in the photos, they'll be stars, pampered with his personal touch and a dash of paparazzi glam!

Expect Nigel to be more attentive than a waiter at a five-star restaurant, ensuring every guest's smile is captured more perfectly than a royal portrait.

**No couple has ever said, "I wish I spent less on the photographer."**

**\*\*Budget Check\*\*:** Before you fall in love with a photographer's work, make sure their prices won't break your piggy bank!

**\*\*Style Safari\*\*:** Scour their portfolio for the 'wow' factor – if their style makes you yawn, it's a pass.

**\*\*Review Rundown\*\*:** Stalk their reviews like it's your ex's social media – what are the people really saying?

**\*\*Meet & Greet\*\*:** Have a coffee date with your potential photog – if they don't laugh at your jokes, it's not meant to be.

**\*\*Shot List Showdown\*\*:** Make sure they can capture your 'must-have' moments, or you'll be framing selfies instead!
