**EXPERT ADVICE FOR NATURAL LOOKING RESULTS**

# Knowledge, Expertise and Safety

At Flawless Aesthetic Clinic rest assured I am passionate about getting the best and most natural looking results for you.

With so many choices on the growing aesthetic market, I make sure I stick with well known and trusted brands and colleagues to ensure the best care and highest standards are maintained.

I am a Registered Nurse, situated in a highly equipped medical clinic with over 15 years experience in the Aesthetic Industry so you are in safe hands and registered with the highest quality regulator the Care Quality Commission.

# Facial Treatments

Following careful skin analysis the best products are recommended not only clinical treatments, but advice about home care of your skin as well.

I have experience in everything from Acne, Pigmentation issues, rosacea, thread veins, open pores, scars, fine lines and wrinkle treatment.

Skin Treatments include

Chemical Resurfacing

Microneedling

Thread Vein Treatment

Advanced Medical Facials

Deep Pore Cleansing

Injectible options are

Wrinkle relaxation (botulinum toxin)

Dermal Fillers

Mesotherapy

PRP

More advanced options are Polydioxinane (PDO) Threads, which can also be used on areas of the body.

# Body Treatments

PDO threads can be used in areas of the body such as breast lifting, sagging knees, arms and thighs.

Intralipotherapy (Deso) is an injectable treatment that dissolves small area of fat

For people struggling with weightloss I also offer a consultation and prescription clinic for medication for people above BMI of 27.

Stretch marks and scars can be effectively treated with micro needling on the abdomen and leg areas.

I also can help with prescribed weight loss treatment for those who have tried normal diet and exercise and are struggling to get to their next goal.

# General wellbeing

As a qualified nurse with an interest in holistic health approaches I can also advise on issues with menopausal symptoms, sleep problems and emotional issues.

I can request blood screening for numerous conditions and either prescribe necessary medication for you or refer to colleagues and your GP if you need ongoing support.

# Price List

All prices include a full consultation,  
face and medical assessment for suitability  
and bespoke recommendations
