**ENTRANCE
ESSENTIALS**

WHAT IS ENTRANCE ESSENTIALS?

Entrance Essentials is a new Doorset product offering at Entrance CDS, featuring a narrowed design range at a lower price.

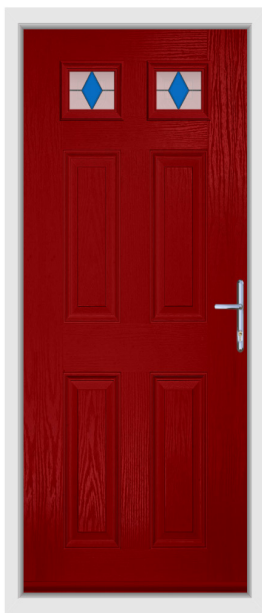

This means we can provide you with the same high quality product at more competitive pricing, ideal for large housing projects, trade counters, and more basic retail offerings.

This range is exclusively a Doorset only product and will feature single doors with toplight/sidelight combinations, no double or door and a half options will be available.

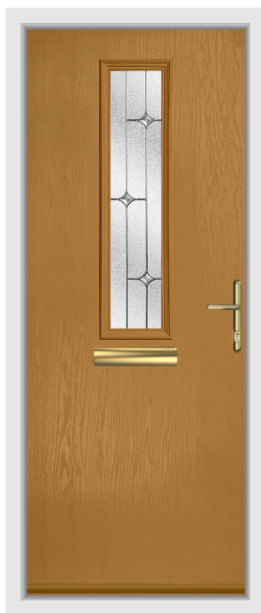

In terms of hardware types, this will be limited to Standard Hardware and AV2 Contemporary options only

DOOR DESIGN OPTIONS

As part of the new essentials range we will be offering a limited range featuring our most popular doors as seen here.
