## NEED INTERIOR DESIGN ADVICE?

*Come and talk to us...*

From revamping a room to designing an entire flat/house, we offer a range of interior design services to suit any budget.

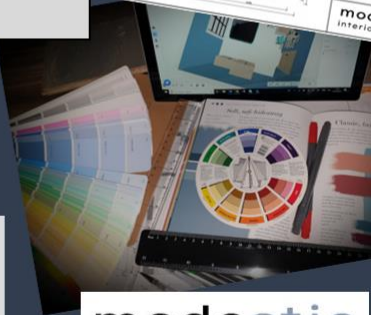

### WHAT WE DO:

- space planning (incl. 2D floor plans & 3D visualisations)
- colour scheme/wallpaper advice
- furniture, fixtures and accessories sourcing
- soft furnishing and textiles selection
- interior styling, incl. home staging
- sample boards and mood boards creation
- electrics and lighting planning with drawings
- on site project co-ordination with builders and trades

For us "less is more" and the spaces we create are practical, efficient and suited for everyday living. We are passionate about modern clean lines and informal elegance incorporating organic elements & textures.

### E-DESIGN

Thanks to e-design, we also offer our interior design services entirely online. If you feel it may be the right option for you, please get in touch for more information.
