

A dark grey door with a silver mail slot and handle. At the bottom of the door, there are several wrapped gifts in brown paper with blue and white checkered ribbons. The gifts are stacked on a stone step.

DIA  OND

ADOOR YOUR HOME

A grey composite door with a square window featuring a silver frame and a silver handle. The door is set in a stone wall. A small green vine is climbing the wall to the left of the door. A pair of yellow rain boots is visible in the bottom right corner.

A Diamond Composite Door brings warmth, comfort, style and security right to your doorstep.

Using the latest in composite technology, this range of elegant, high performance doors will give your home and family all the style and protection you need with very low maintenance.

So what is composite, and what makes it the right choice for you?

Composite doors add beauty to function. Not only do they look great, they also provide the strength and quality your family needs. And because they're designed to be extremely low-maintenance, they will save you money and hassle in the future.

It's easy to take a Diamond door for granted because it stays looking great year after year without any assistance from you! There's no sanding, no painting, and no varnishing. No fuss at all. All your door needs is an occasional wipe with a cloth once in a while to keep it looking pristine year after year.

Your Diamond Composite Doors save you money in other ways too. They improve the energy efficiency of your home, because they are made with especially durable materials including GRP and polyurethane foam reinforced with a sturdy skeleton that won't warp or deteriorate - meaning your heat stays in your home and your money stays in your pocket.

ADOOR CHOICE

You have a great choice of styles for your Diamond door.

You can even match your favourite door and colour to handmade glass panels. Our in-house design team can create each decorative glazed unit specifically to suit your door using a choice of bevels, coloured film and lead, resin lead, sandblasting and fused tile designs.

DMM2 | DDM2 | RG20 Dark Red

Choose a style to complement neighbouring homes, or pick one that really stands out from the rest. Set the tone for your home with the style, colour and features that really show off its character.

DIAMOND SOLID STYLES

All styles are available as Single Diamond or Double Diamond doors (DMR1 - Single Diamond only)

■ ADOOR COLOUR

For a design to work, the detail has to be just right. That's why we make it possible for our customers to have the colour of their choice not just on the outside, but also on the inside, the rebate, the frames and even on the weather deflectors.

So whether it's seen from the hallway, the doorstep or across the road, your door looks perfect from every angle. Remember that the Diamond range gives you a choice of colours, in either the total-door or the white-inside option. Find your ideal colour by referring to our colour swatches.

BESPOKE COLOUR RANGE

We can make your door any colour you like, just bring along a RAL or BS reference and we'll match it.

There is an extra charge for premium colours and non-standard RAL and BS colours.

Every effort has been made to reproduce the colour of our Diamond doors. However printing constraints will give rise to some colour deviation. Please note the grain on the GRP door does not replicate the grain on the frame as it is a PVC foil. The grain and colour on Oak and Rosewood doors is not an exact match to the PVC frame.

■ ADOOR LIGHT

Inspirational, beautiful and the ultimate in stylish practicality, our Reflections, Elegance, Simplicity, Prairie and Royale glazing options provide you with a wealth of choice to enhance your Diamond door and create a first impression that lasts.

Using hand cut bevels and textured glass pieces, the decorative glass is assembled using traditional stained glass methods into Zinc comes, and double or triple glazed to give excellent thermal and sound insulation.

Please Note: Due to the unique construction of these glass designs, it is not possible to create matching sidelights or toplights. Elegance, Simplicity, Prairie and Royale glass is double glazed in Single Diamond doors and triple glazed in Double Diamond doors. There is no choice of backing glass with any RG glass options shown in the brochure.

Single Rebate: DMD2 | Double Rebate: DDMD2
Decorative Glass: RG4 Elegance
Door Colour: White

Every Diamond Door can be made to 'Secured by Design' police approval featuring the latest in anti-drill, anti-pick, anti-snap, anti-bump locks.

Secured by Design Diamond doors use the latest in locking technology to challenge even the most experienced criminals. Secured by Design doors must be ordered with laminated glass.

Single Rebate

44mm of high density polyurethane foam with high grade LVL engineered timber inner frame, double glazed decorative units and fitted into a flush fit uPVC door system. Single Diamond only opens inward.

Double Rebate

70mm of high density polyurethane foam with uPVC inner frame, triple glazed decorative units, extra insulation and security from a double rebate uPVC system.

Multi Point Locking System

This high security system is fitted as standard to reinforce the concept of safety in your home.

Kitemark Security Cylinder

Anti-bump, anti-drill, anti-pick and anti-snap Kitemarked cylinder lock barrels are fitted as standard.

Winkhaus Locking System

(Only available on Single Diamond)

Our new range of bar pull handles operate with a Winkhaus Lock and an escutcheon plate. Classic lever handles are also available.

Single Diamond

High density core with LVL engineered timber wood offers increased sound and energy efficiency.

Double Diamond

Double twin seal rebate for extra strength, security and insulation.

Kitemark Glass

All glass is Kitemarked toughened glass, either double or triple glazed.

GRP Skin

Both sides of our doors have a 2mm fibreglass (GRP) skin which ensure a tough and durable finish with lifelike grain.

Weather Deflectors

Weather deflectors are fitted to protect against the elements.

Reinforced Frame

Diamond doors are fitted into steel reinforced PVC frames for a strong secure doorset.

Locking System

Multi point locking system reinforces the concept of safety in your home.

Hinges

Flag hinges can be fitted to Double Diamond doors.

Decorative Glass

Wide range of glass designs available with toughened glass as standard.

ADOOR GREATS

Create a lasting impression with a Diamond door from our traditional range to beautifully complement your home.

Whether you want to create the perfect entrance or bring the outside inside, we have a Diamond door to suit.

ADOOR MORE M

The Diamond DMP collection is a new generation of truly contemporary designs and will add a touch of style to your home.

Carefully designed and crafted from the finest materials, every door in this range has a definite style inspired by all things minimalist and modern.

A modern, light grey door with a vertical wood grain texture. The door features three decorative glass panels: a small square at the top, a long vertical rectangle in the center, and a small square at the bottom. A curved, metallic handle is positioned on the right side. The door is set within a dark grey frame, and a dark grey stone step is visible at the base. To the left of the door, there is a wall with vertical wooden slats.
