## **Brilliant**

Absolutely amazing service, brilliant with the kids at our wedding, songs that were played was exactly what I wanted, very professional but also very caring and amazing. Loved the idea of asking all my guests what song they would like played, I would 100% recommended Tim such a lovely person.

## **We had the best day, the dance floor was never empty!**

Hi Tim, Hope all is well with you. Nick and I just wanted to send you a message to say a huge thank you for being a fab DJ at our wedding. From your call to reassure me in the morning to the tolerance of our eclectic song choices, you were really thoughtful and we appreciated everything you did. We had the best day and I know just looking at the slideshow on Facebook that the dance floor was never empty! Thanks so much
