Pub - Club - Social Club - Hotel Benefits

Your venue promoted with posters introducing new customers to your business.

You are presenting your clientele with something fun interactive and fresh.

Boogie Bingo increases your bar takings and restaurant table bookings.

Boogie Bingo is Affordable Professional Entertainment with a low basic rate.

Boogie Bingo is "Bingo" by brand name only, and is not bound by the same legislation as traditional Cash bingo. The Gambling Commission established this, and therefore no additional licences are needed to run the game.

Musical Bingo approved as a quiz, and you should always follow the best practices and legislation regarding appropriate prizes; e.g. no alcohol as prizes for minors!

What Is Boogie Bingo

Here's how it works:

Instead of your boring old numbers being called out in a typical game of Bingo, we've replaced them with 15-20 seconds bursts of the most toe-tapping', bum wigglin' sing-along songs from the past and present! The presenter houses all music.

The numbers on the bingo cards have artists and song name. So with your bingo card in hand and your dabber on standby, listen out for the songs played and mark them off as you would a regular game of Bingo.

Boogie Bingo presented by a professional Showman DJ & 2 team members and comes with its own mobile Disco for the bingo games and if required Disco to finish off.

What should I supply as prizes?
