Welcome to CV Electronics

The UK's Premier Remanufacturer of Commercial Vehicle Electronics

Good service is everything to us and we would love the opportunity to prove that to you. We specialise in the remanufacturing of Instrument Clusters, ECU's, Adblue Pumps and can repair the majority of the other Electronic parts on Volvo, Scania, DAF, Mercedes, MAN, Iveco, Alexander Dennis, Optare and Wrightbus.

We collect your parts **free of charge** and aim to turn them around the following day. All parts we service have a **24 month warranty**.

Our **Customer Portal** allows you to have full visibility of your part/s during its refurbishment journey. It not only allows you to access the status of your current jobs but also previous jobs & invoices for ease of use.

The company has over **60 years of experience** and are always happy to assist you with any technical assistance we can. Feel free to contact us if you wish to discuss the faults you are experiencing before sending in your parts.

- ① CONTACT US & WE WILL ARRANGE A FREE COLLECTION OF YOUR PART
- ② WE RECEIVE YOUR PART & AIM TO REPAIR & DESPATCH IT BACK TO YOU THAT SAME DAY
- ③ YOUR PART IS DELIVERED BACK TO YOU THE FOLLOWING DAY TO BE FITTED BACK ON YOUR VEHICLE
